2012 Days of Caring

Days of Caring brings the corporate and nonprofit worlds together in the spirit of volunteerism to address our community’s most critical needs in Education, Income and Health. When we reach out a hand to one, we influence the condition of all. That’s what it means to Live United.

Join us September 10-21 for meaningful volunteer work and community-wide impact at agencies throughout Greater Milwaukee. Projects range from painting a mural to building a playground, from reading to children to playing board games with older adults.

Register Starting: July 30

Share the joy of volunteering with your family. Family-friendly volunteer activities will be offered Saturday, September 15 and Sunday, September 16. Introduce your children and grandchildren to the importance of lending a hand and giving back. More details at UnitedWayMilwaukee.org/Volunteer

Thank you to the over 2,750+ individuals from 46 area businesses for volunteering at 90 nonprofit agencies during 2011 Days of Caring.

Many thanks to our sponsors: Rockwell Automation
